Résumé Ashley Pajević

| 2019 - 2023 | **The Red Fox Group**   Product Designer |

During my time at Swiftfox I had a number of responsibilities. These included:

- conducting thorough research
- crafting wireframes and detailed mockups
- overseeing the development process
- curating team handbooks to streamline operations
- managed Zendesk to ensure exceptional customer support
- lead retrospectives to identify valuable insights for process improvement
- facilitated sprint planning sessions

2021

Tapendium   Freelance

Designed new UI through User Research, Prototyping, and Iteration.
